Re.: The AgTech Conference in San Francisco, CA from April 3-6, 2017

Dear Mr. Trinh:

This letter is to confirm our cooperation in organizing a group of Vietnamese Agri and Technology companies/organizations from Vietnam to participate in the The AgTech Conference in San Francisco, CA from April 3-6, 2017.

The Conference aims to bring globally renowned leaders together to discuss, inform, and educate industry leaders in the agriculture sector on emerging technology trends as well as convening to share challenges and opportunities in other markets.

The key themes of the conference include:

- Precision Agriculture
- Artificial Intelligence and Big Data in Farming
- Robotics and Mechanization in Farming

Understanding that you have been discussing with officials of the Ministry of Agriculture and Rural Development in Vietnam re. the possibility of forming a delegation to participate in the conference, we will be glad to set up a special session in the Conference so that the Vietnamese delegation could have an opportunity to share with the conference participants the “*Opportunities and Challenges in the Vietnamese agriculture sector*”.

For your reference, we have attached the program brochure and Fact Sheet about our organization.

We hope that your group will be able to bring the Vietnamese delegation to join us as we promote the collaborative practices and global dialogue able to transform agriculture and innovation all over the world.

Sincerely,

Denyse Cardozo, Executive Director
